**NARRATIVE:**

Frank Grijalva is a documented gang member with an extensive adult criminal history that began at the age of 19. His convictions include receiving stolen property, possession of dangerous weapons, false imprisonment, vehicle theft with priors, resisting arrest, possession of controlled substances, trespassing and probation violations. He has served multiple incarcerations, the longest being a 4 year term for vehicle theft. Grijalva was released from state prison to the supervision of the Los Angeles County Probation Department on August 7, 2013. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in January 2016 after he absconded from post release community supervision (PRCS). Grijalva qualified to be released to the supervision of probation, under AB 109, because his current commitment offenses for vehicle theft with priors is defined as non-serious and non-violent under the California penal code. His criminal history, gang member status and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
